Sir:

Patentee hereby petitions to have the attached Certificate of Correction issued in order to correct the residence of one of the inventors, Mr. Takeshi Aimoto, from Tokyo (JP) to Santa Clara, CA. The declaration filed with Application Serial No. 09/585,389, inadvertently listed Mr. Aimoto's residence as "California, U.S.A.", instead of "Santa Clara, CA". In a filing receipt mailed August 2, 2000, Mr. Aimoto's residence was listed as "Tokyo, JAPAN". This error was not noticed by Patentee or the Patent Office by the time the issue fee was paid on January 2, 2008. This error has been corrected in later filed continuation applications.

Therefore, it is requested that this Petition be granted and that a Certificate of Correction be issued to properly reflect Mr. Aimoto's residence at the time the declaration was signed.

The Petition fee set forth in §1.17(h) is enclosed. Please charge any shortage of fees due in connection with the filing of this paper, or credit any overpayment of fees, to Deposit Account 50-1417.

Respectfully submitted,

MATTINGLY & MALUR, P.C.
